YILDIZ (Adiyaman University, Turkey), • Serdar SÖNMEZ (Adiyaman University, Turkey) •

AIMS AND SCOPE:

The Biharean Biologist is a scientific biology journal with a unique feature in its field: it is edited by young biologists from the University of Oradea, Romania. The journal Biharean Biologist aims to encourage young biologists (BSc, MSc, and PhD candidates) and other early-career researchers to publish their research data. The journal also accepts papers from senior researchers.

JOURNAL COVERAGE:

SCOPUS (2012 – present)
Biological Abstracts (2009 – present)
Biosis Previews (2009 – present)
Zoological Record (2007 - present),
Ulrich's Periodicals Directory
Index Copernicus
CNCSIS B+
