

RESEARCH ARTICLES**Three new records of the genus *Lomatia* Meigen, 1822****(Diptera: Bombyliidae) from Iran**

S. Hakimian, A.A. Talebi, B. Gharali & S. Farahani Art.#121120 / pp.1-6

Range extension of *Lyciasalamandra antalyana* (Başoğlu & Baran, 1976)**(Amphibia: Urodela: Salamandridae)**

B. Akman, B. Göçmen, N. Iğci & D. Yalçinkaya Art.#131101 / pp.7-12

A study of small mammals inhabiting pistachio gardens of Kerman Province, Southeast Iran

S.M. Madjdzadeh & H.M. Takaloozadeh Art.#131102 / pp.13-19

The family Torymidae (Hymenoptera: Chalcidoidea) of Kerman province, Southeastern Iran

S.M. Madjdzadeh, H. Lotfalizadeh & F. Abolhasanzadeh Art.#131103 / pp.20-24

Effect of nitrogen fertilizer levels on Fe and protein content, grain breakage and grain yield of rice (*Oryza sativa* L. cv. Khazar)

F. Faraji, M. Esfahani, M. Kavousi, M. Nahvi & A. Forghani Art.#131104 / pp.25-28

Quick method for screening of tolerant sunflower (*Helianthus annuus* L.) genotypes to *Sclerotinia sclerotiorum* at seedling stage

M. Zaeifzadeh, S. Tahmasebi Enferadi, A. Mousavi, Parviz Heidari & M. Ahmadizadeh Art.#131105 / pp.29-32

Note on the food composition of a *Pelophylax ridibundus* (Amphibia) population from the Dubova locality region, south-western Romania

A.Ş. Cicort-Lucaciu, C. Pelle & I.T. Borma Art.#131106 / pp.33-36

Study on shoot regeneration and somatic embryogenesis in cumin (*Cuminum cyminum* L.) landraces

D. Kahrizi & J. Soorni Art.#131107 / pp.37-41

Additional notes about long-legged flies (Diptera: Dolichopodidae) in East Azerbaijan province of Iran

S. Khaghaninia, Y. Gharajedaghi & I. Grichanov Art.#131108 / pp.42-47

SHORT NOTES**The influence of rearing temperature on early embryonic development of *Pelophylax nigromaculata***

TL. Yu, XH. Wang & YS. Guo Art.#131201 / pp.48-51

Notes on the reproduction of *Lyciasalamandra atifi* (Başoğlu, 1967) (Amphibia: Salamandridae) from Cebireis Mountain (Antalya, Turkey)

B. Göçmen, K. Çiçek, A. Mermer & B. Akman Art.#131202 / pp.52-53

A new locality record of Caucasian parsley frog, *Pelodytes caucasicus* Boulenger, 1896 (Amphibia: Anura: Pelodytidae) in the eastern Black Sea region of Anatolia

N. Iğci, B. Akman, B. Göçmen, A. Adakul & M.A. Oğuz Art.#131203 / pp.54-56
