

**RESEARCH ARTICLES**

- Toxicity of essential oil from *Artemisia haussknechtii* (Boiss), to larvae and adults of *Tribolium confusum* (Jacquelin du Val)**  
S.M. Hashemi & S.A. Safavi.....Art.#131109 / pp.57-60
- A histological study of the eye in *Hyla orientalis* (Bedriaga, 1890) (Anura, Hylidae)**  
E. Akat & H. Arikan.....Art.#131110 / pp.61-63
- Effect of drought stress on the damage of safflower weevils, on three cultivars of *Carthamus tinctorius* L.**  
G. Hasanshahi, F. Jahan, H. Abbasipour, A. Askarianzade & J. Karimi.....Art.#131111 / pp.64-68
- Entodinium dalli* m. *monospinatum* n.m. and *Entodinium dalli* m. *triangulobatum* n.m., two new morphotypes of *Entodinium dalli* Dehority, 1974, from Turkish Cattle**  
G. Gürelli & B.A. Dehority.....Art.#131112 / pp.69-72
- Study of the genera *Hercostomus* Loew, 1857 and *Poecilobothrus* Mik, 1878 (Diptera: Dolichopodidae) in Kandovan Valley with new records for Iran**  
S. Khaghaninia, Y. Gharajedaghi & I. Grichanov.....Art.#131113 / pp.73-79
- Glandular and non-glandular hairs in the winter and summer leaves of the seasonally dimorphic *Teucrium polium* (Lamiaceae)**  
A.M. Bosabalidis.....Art.#131114 / pp.80-85
- Helicobacter pylori* *cagA*-positive strains: gastric cancer susceptibility**  
M.T. Moradi, A. Rafiei Hashtchin & K. Yari.....Art.#131115 / pp.86-89
- A contribution to the knowledge of the pteromalid wasps (Hymenoptera: Chalcidoidea: Pteromalidae) of Kurdistan Province, Western Iran including new records**  
K. Dehdar & S.M. Madjzadeh.....Art.#131116 / pp.90-93
- Cytogenetic diversity of Iranian balm (*Melissa officinalis*) landraces and genetic relationship within and between them using ITS markers**  
P. Heidari, A.A. Mehrabi & A.A. Nasrolah Nezhad Ghomi.....Art.#131117 / pp.94-98
- Data on the Odonata fauna of the Natura 2000 site "Lunca Inferioară a Crișului Repede" (ROSCI-0104), Bihor County, NW Romania**  
C. Tripon & D. Cupșa.....Art.#131118 / pp.99-103

**SHORT NOTES**

- Dendrosoter middendorffii* (Ratzeburg, 1848) (Hymenoptera: Braconidae) a parasitoid of the fruit bark beetles in Iran**  
N. Basiri, H. Lotfalizadeh & M.H. Kazemi.....Art.#131204 / pp.104-105
- First record of the egg cannibalism in tadpoles of *Bufo viridis* complex (Anura: Bufonidae) from Croatia**  
P. Vlček, M. Kudláček & D. Jablonski.....Art.#131205 / pp.106-107
- Occurrence of fangtooth moray *Enchelycore anatina* (Lowe, 1839) (Muraenidae) in Iskenderun Bay, Eastern Mediterranean, Turkey**  
D. Erguden, M. Gurlek, N. Uygur & C. Turan.....Art.#131206 / pp.108-110
