

**RESEARCH ARTICLES**

- EN** ■ Sweet maize hybrids' yield response to adult western corn rootworm (*Diabrotica v. virgifera* Leconte, Col.: Chrysomelidae) silk feeding and IPM implications thereof  
A. Gyeraĵ, M. Szalai, Z. Pálinkás, C.R. Edwards, J. Kiss.....Art#e231304 / pp. 117-121
- EN** ■ Possible effects of Pliocene and Pleistocene on the Anatolian populations of *Andricus tomentosus* (Hymenoptera: Cynipidae)  
S. Mutun, O.A. Danso.....Art#e231305 / pp. 122-133
- EN** ■ Molecular analysis of *Bruchophagus* species (Hym.: Eurytomidae) associated with alfalfa in Iran  
P. Masumi, S. Mirfakhraie, H. Lotfalizadeh.....Art#e231306 / pp. 134-139
- HR** ■ Ecological modeling of the Grass snake (*Natrix natrix*) and Dice snake (*N. tessellata*) in Bulgaria confirms their wide-ranging distribution  
Y.V. Kornilev, D. Plachiyki, G. Popgeorgiev.....Art#e231506 / pp. 140-146
- HR** ■ Blood cell morphology of *Testudo hermanni boettgeri* Mojsisovics 1889 wild populations from Serbia  
J.S. Stojanović, M.Lj. Nikolić, D.N. Savić Zdravković, A.Lj. Žabar-Popović, A.D. Milovanović, D.M. Stojadinović, J.M. Crnobrnja-Isailović.....Art#e231507 / pp. 147-154
- HR** ■ Morphology and distribution of the night lizard *Lepidophyma zongolicum* (Xantusiidae)  
A.E. Valdenegro-Brito, J.D. Lara-Tufiño, J.C. Sánchez-García, R.G. Martínez-Fuentes, D. García-Morales, R.I. Cervantes-Burgos, U. García-Sotelo, M.Á. de la Torre-Loranca, U.O. García-Vázquez.....Art#e231508 / pp. 155-160
- HR** ■ Feeding ecology of *Amazophrynella teko* (Anura: Bufonidae) in the eastern Brazilian Amazonia  
C.J. Santos-Souza, F. Pedroso-Santos, K. Rebelo-Silva<sup>1</sup>, M.J. Lima-Martins, C.E. Costa-Campos.....Art#e231510 / pp. 161-166
- HR** ■ Distribution of broad-snouted caiman (*Caiman latirostris*) in the Rio Doce State Park, Minas Gerais, Brasil  
A. Yves, L.M.C. Lima, L.A.B. Bassetti, M.B.B. de Andrade B.M. de Sousa, T.S. Marques.....Art#e231511 / pp. 167-172
- OR** ■ Annual captures, autumn migration phenology, and morphological traits of the Common Blackbird (*Turdus merula*) over 24 years  
J. Gyurácz, P. Bánhidi, J. Góczán, P. Illés, S. Kalmár, P. Koszorús Z. Lukács, P. Molnár, Cs. Németh, L. Varga.....Art#e231602 / pp. 173-181
- OR** ■ Does *Argya altirostris* (Hartert, 1909) (Passeriformes: Leiothrichidae) extend its distribution to northern Anatolia?  
A. Karataş, M. Ünal, K. Çiçek.....Art#e231603 / pp. 182-188

**SHORT PAPERS**

- EN** ■ First record of *Phengaris (Maculinea) teleius* in Săcădat (Bihor County, Romania)  
A.C. Tocai (Mořoc), A.G. Teodorescu, S.I. Vicas.....Art#e232301 / pp. 189-192
- EN** ■ *Zombrus bicolor* (Enderlein) (Hymenoptera: Braconidae: Doryctinae), a new allochthonous species for the fauna of Serbia  
V. Žikić<sup>1</sup>, S.S. Stanković, B. Radeka, N. Vesović, A. Petrović.....Art#e232302 / pp. 193-196
- EN** ■ The first occurrence of *Neotrichoporoides nyemitawus* (Rohwer, 1921) (Hymenoptera: Eulophidae) in the West Palaearctic with a key to the known species from Iran  
M. Jafarlu, Y. Karimpour, H. Lotfalizadeh.....Art#e232303 / pp. 197-200

**REVIEW PAPERS****EN** ■ Entomopathogens of three beetle species with agricultural importance (*Tanymericus dilaticollis*, *Oulema melanopus*, and *Diabrotica virgifera virgifera*): a review

D. Takov, T. Toshova, D. Pilarska, D. Velchev ..... Art#e233301 / pp. 201-208

**CORRESPONDENCE / NOTES****EN** ■ Novel contribution to the Türkiye aphid fauna with new host plant associations

G. Görür, H. Akyıldırım Beğen, Ö. Şenol, G. Başer ..... Art#e237304 / pp. 209-211

**HR** ■ Winter activity of the Caspian whipsnake (*Dolichophis caspius*, Gmelin, 1789) in Belgrade, Serbia

V. Bjelica, A. Milićević, M. Bugarčić, M. Anđelković ..... Art#e237506 / pp. 212-214

**OR** ■ Attack by a Burrowing Owl (Strigiformes: Strigidae) on a White Worm Lizard (Squamata: Amphisbaenidae)

N.R. Honório, L.F. Heckler, H.C. Costa ..... Art#e237601 / pp. 215-216

**TH** ■ First record of *Pipistrellus lepidus* Blyth, 1845 in Greece

H. Alivizatos, P. Karagianni, S. Kalpakis, G. Karris, I. Ioannidis, K. Poirazidis ..... Art#e237702 / pp. 217-218
